Thank you! Your purchase contributes to the conservation of our rare Heritage breeds!

### **Taste History with Old Time Farm!**

Old Time Farm is dedicated to preserving the old fashioned, pre-industrial heritage breeds of livestock favored before agriculture developed into maximum output, monoculture factories.

Old Time's Milking Devon Cattle, Partridge Chantecler Chickens and Standard Bronze Turkeys are true "Slow Foods". The delicious flavor, nutrient density and texture that can only come with slow, natural growth has earned them each a spot on Slow Food International's Ark of Taste, the ultimate food lover's list of treasured foods worthy of special preservation.

Our cattle, turkeys and chickens are all carefully bred and born/hatched right here on farm. We sell hardy, high quality breeding stock, layers, hatching eggs and live chicks for your farm or homestead.

In addition, we sell artisan meats from our pasture-raised heritage chicken and turkey (non-GMO fed), 100% grass-fed and finished beef, and rich, pasture-raised chicken and turkey eggs for your table.

Our farm also yields seasonal items like maple syrup, special foraged treats, and we create specially prepared Old Time food items and one-of-a-kind crafts.

Respect for the creatures in our care is of utmost importance. We strive to provide them with a low-stress, healthy, natural life and appropriate nutrition.

**Certifications:** USDA SVS certified Grass-fed cattle, USDA inspected beef, Pa Dept of Ag Licensed and Registered Kitchen/warehouse/processing, Servsafe Manager Certification., American Poultry Association Certified Standard Bronze Turkey, American Association Certified Partridge Chantecler Chicken, AMDCA Register American Milking Devon Cattle, Certified PA Preferred vendor, Beef Quality Assurance Certified, Participant in the National Poultry Improvement Program
